Content*:

The course will emphasize reading and discussing current media articles as well as listening activities presenting native and non-native speakers from all walks of life.

Group activities (task-based and team-oriented assignments) aim at real situations often found in the academic and business world to improve speaking skills. The basis of the writing activities are formats used in work-related/professional situations (memos, email correspondence, minutes, proposals, public relations).

Finally, a presentation will bring together all acquired skills as needed in real-life professional contexts.

The required course book - "New Language Leader" (Advanced) , chapters 7 through 12, ISBN: 978-1-4479-4816-2 - will serve as the „backbone“ of our endeavors.
